## who me? Save MONEY?

Yes, you! You don't know it now but you started saving money a few days after you were born.

That was because your proud papa opened an insured savings account for you. When you're old enough, you can start adding your own nickels to it and, later on, your dollars.

It'll earn generous dividends for you, too, while you're saving.

Prepare For Your Child's Future Now!
